

Your Profile Checklist

Before you go online, make sure you have some of the basics ready:

- Which ceremonies can/will you perform?
- Which areas will you travel to?
- Prepare up to 400 characters worth of introductory text that will encourage people to click through to your full profile.
- Prepare up to 1500 characters worth of main text that will let the reader know who you are as a celebrant.
- Your preferred contact details including phone, mobile and email address. To help gauge the success of your JustCelebrants profile, consider creating a unique email address just for this site!
- Your own web address - if you have one.
- Three good quality photos - one of which should be of you. The other two can also be of you or you may choose to show photos of you in action.

Just remember that most people enquiring for a celebrant assume that all celebrants are created equally and that you're all equally qualified and equally experienced! To them, the only variables are price and personality.

So make sure that your profile is as uniquely you as it can be and, if we can help in any way, please call during business hours on +61 2 9808 1890 or email us at helpdesk@justcelebrants.co.nz.

Here's to your success!

Helping *celebrants*
reach a wider audience

Welcome to **JustCelebrants!**

Thanks for taking the time to look at this brochure because we'd like to introduce you to a brand new site designed to help celebrants reach a wider audience. Because at **JustCelebrants**, we've created a new environment for you to be able to introduce yourself to your future clients.

Unlike the many wedding websites out there, **JustCelebrants** is exactly that - **just** celebrants. We're not here to help sell dresses or shoes. All we want to do is tell the world about our celebrants.

And we recognise that celebrants do ceremonies other than weddings. So we also feature funeral celebrants, naming celebrants, celebrants for commitment ceremonies and more.

Some words from our Australian celebrants...

*Thanks for helping me get my photos onto **Just Celebrants** the other day. Just wanted to let you know I had my first enquiry today. Took no time at all!*

Ian Brockhouse, A11210

Being one of the Celebrants who joined Celebrante in its early times I congratulate you on your magnificent efforts. Further I laud your new venture and would like to be part of that too.

Terry Roache, A3571

*How could I not choose this exciting new concept. I am only too happy to sign up for this new "**Just Celebrants**" venture.*

Dale Warren, A09082

*Congratulations David, well done. I continue to get most of my bookings through [Celebrante] but have also signed up for **Just Celebrants**.*

Frequently Asked Questions

What does it cost me to list as a Celebrant on JustCelebrants?

Setting up a profile costs just \$99 a year.

How do I pay for my profile?

We currently utilise PayPal for all our payments. PayPal currently accepts MasterCard and VISA. Sorry, but JustCelebrants does not provide accounts.

Does the year's subscription go to a particular date?

No, your subscription is exactly one year from the day you register to one year later. For example, if you sign up on May 20, 2009 then you will need to renew by May 20, 2010.

How does JustCelebrants rank the profiles?

All profiles are sorted randomly.

Can I have a photo on my profile?

Better than that, you can have three! And reasonably large ones too. You can have a photo gallery of up to three pictures - all to a maximum of 300 x 300 pixels. You can then nominate which of these will appear as your main thumbnail photo for when your profile appears in the search results.

Can I hide my profile if I'm too busy or taking a break?

Yes. You can hide your profile for as short or as long a time as you choose. All you have to do is log in and click on the right button! Please be aware that hiding your profile for a month does not extend your subscription by that amount of time.

Can I put my phone number, e-mail or web addresses on my profile?

Yes, you can.

Can we have more than one celebrant on the profile?

The profiles are designed so that people can search for the right celebrant for their special occasion. If there is more than one celebrant on a profile, then the potential customer may become frustrated at having to search again. So, no, only one celebrant per profile

Why is it taking so long for my profile to appear?

New profiles should appear as soon as payment is complete. If your profile hasn't appeared, please contact us at support@justcelebrants.co.nz
